Commissioner for Patents

In response to the Information Disclosure Statement (IDS) filed on 5/10/2006. The IDS has been placed in the file, but has not been considered. Since a copy of a corresponding from the foreign Office Action in a counterpart foreign application and an English translation of the pertinent portions thereof, which cites such documents and indicates the degree of the relevance found by the foreign office, are required to be provided. The copy of a corresponding from the foreign Office Action must include the date of receiving by the applicants.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hai L. Nguyen whose telephone number is 571-272-1747. The examiner can normally be reached on Monday-Thursday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Callahan can be reached on 571-272-1740. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
